Dear Bank of America Research Department,

I am the Executor for the Alfred and Maurine P. Hamilton Estate/Trust. Attached is a copy of the Letters Testamentary. I need copies of any and all bank records for Alfred and Maurine Hamilton from 2003 to present. I was told it was a \$20 base price plus \$3 per monthly statement, so that's \$36 per year. As the accounts may have been closed, we do not know how many years of information this entails. Alfred Hamilton died on April 8, 2004. Maurine Hamilton died on Oct 6, 2006. Attached are their death certificates.

We need the records in order to comply with an IRS investigation of the embezzlement of the Estate/Trust. Since we do not know if the accounts were closed by the previous "Trustee", we do not know how many years to pay for the records request. Upon delivery of this letter to the Airport/Highland Bank of America Branch, we will determine the best payment arrangement. It could be 7 years, 2003, 2004, 2005, 2006, 2007, 2008, 2009, or perhaps they were closed in 2006 after Maurine Hamilton's death, which would be 4 years. So it appears we will just have to pay the computed bill upon delivery of the statements, in order to know the total cost, but it appears to be between $\$36 \times 4 = \144 to $\$36 \times 7 = \252 plus \$20. So somewhere between \$200-\$300 per account, for 2 accounts that we are aware of. We could just pay when we pick up the statements. My contact information is listed above. Please contact me if you need payment prior to that.

We are aware of the existence of the two bank accounts listed above, **in red**. Please check for the existence of any more bank accounts as well. Alfred Hamilton's social security # is 458-24-4617, DOB = 5-12-1914. Maurine P. Hamilton's social security # is 459-20-2593, DOB = 10-2-1921.

Thank you for your assistance in this investigation.

Alan L. Hamilton

Executor/Trustee of the Alfred and Maurine P Hamilton Estate/Trust
