Danny,

When you have time, could you please send an itemized bill for your services, as well as the complete billing records for the Estate. We just got a complete billing record from Wayne as well. Our next court date is Jan 23, 2009, and the Estate expenses are part of what we must present to the Probate Judge on that day. Please include any and all bills to Alfred, Maureen and Sylvia as well.

Thanks and have a great holiday!!!!

Alan and Marjie :)
