Alan,

This is the SEC law enforcement action we were reading this morning that inspired us to submit the complaint at the SEC website finally this morning. Hopefully they will do something to Davila, CPA as well.

Plus, as they try to bury us in legal paperwork, hopefully the SEC Calvary will show up with their litigators. Finally, all those SEC enforcement action emails that have been angering us as we got no enforcement action at all, and filling up our mailbox to boot, have been worth it.

WOO HOO!!! :)!!! :D!!! We did it!!!

Marjie :)
