

Evolution of Maurine Hamilton's signature

Nothing happened to Maurine Hamilton in 2004, except she moved in with her daughter Sylvia Hamilton.

No medical conditions warranting a hospital stay.

And yet her signature changes drastically from a straight across the line and long width signature to

an irratically up and down and short width signature

1996 DPOA:

SIGNED this 18th day of December, 1996.
