

Evolution of Maurine Hamilton's signature - IRS check comparisons

Jan 2004 IRS check (Maurine Hamilton perfectly capable to write herself) vs Aug 2004 IRS checks by Danny Davila (Bold block print) and Maurine Hamilton's supposed signature again (most likely Sylvia Hamilton's forgery of Maurine Hamilton's signature).

Nothing happened to Maurine Hamilton in 2004, except she moved in with her daughter Sylvia Hamilton.

No medical conditions warranting a hospital stay.

And yet her signature changes drastically from a straight across the line and long width signature to

an irratically up and down and short width signature
